

MILIEU
Children & Family Services
Hybrid Supported Caregiver

Milieu Children and Family Services is a dynamic organization that strives to provide accommodations and supports to children and youth with mental health, physical and developmental disabilities as well as challenging behaviors and medical healthcare needs.

Milieu Children and Family Services is currently seeking highly skilled, experienced individuals and/or couples to provide warm and inclusive home environments for an individual child/youth with complex medical, social and/or behavioural needs. Homes must have a separate attached suite or living space available for the child/youth to reside in. The Hybrid Supported Caregiver program places a child/youth into caring homes in addition to providing one-to-one staffing 30+ hours per week, as well as intensive ongoing case management support.

Contracts for Hybrid Supported Caregivers range from \$4,000.00 to \$7,000.00 per month, depending on the individual's level of support required. Suitability of the applicant will be determined through a screening process based on agency interviews, reference checks, submission of all required documentation (including a criminal record background check for all adults over 19 years of age that reside in the home, current first aid certification as well as a medical note).

Responsibilities:

We require care providers to perform duties which may include overseeing medication administration, providing personal care, meal preparation, grocery shopping, assisting with personal finances/budgeting, facilitating school engagement, community integration and transportation to and from school, activity and medical/dental appointments.

Qualifications:

- **Valid BC Driver's License, clear driver's abstract and a reliable vehicle
- ** Be comfortable working with children/youth with complex needs and as part of a multi-disciplinary team of professionals
- **Valid Home and Vehicle liability insurance
- **Personal option WCB coverage
- **Negative TB Test
- **NVC/MANDT training is an asset but not required.
- **Extensive experience supporting individuals with complex intellectual, behavioural and/or social needs.
- **2 years' experience working with children/youth with complex needs and 2 years related post-secondary education or equivalent combination of both.

All above requirements must be obtained before a child/youth moves in. Milieu also offers training opportunities for our contractors including a First Aid, CPR and Mandt training.

If you are interested in becoming a Hybrid Supported Caregiver provider please send your resume and cover letter along with a description of the accommodations you have to
